12

Work: NEW

FORM IS NOT AN EXPORT APPROVAL.

PO# 9157

Return to Service Other regulation specified in block 19

Unless otherwise specified in Block 13, the work identified in Block 11 and described in Block 13 was accomplished in accordance with the applicable regulations and it is approved for return to service.

20. Authorized Signature:

21. Name (Typed or Printed):

22. Date (dd/yy):

Authority to install the part/component/assembly, Authority different than the airworthiness authority of the country of origin, or the part/component/assembly from the airworthiness authority of the country of origin must contain an installation certification issued in accordance with the applicable regulations.
